Biography

Maribel Digkhang is a Senior Legal Assistant in our Santa Fe office. She handles family and humanitarian immigration cases. She is fluent in Spanish.

Mrs. Digkhang was born in Aguascalientes, Mexico. She immigrated to the United States in early 1997 with her family. She obtained her Legal Residency when the firm just started and the founder, James Noble, was then only attorney at the time. She lives with her husband, Palden Digkhang, her two children, Tashi and Luna, and her pets Coco and Bambi. Her husband was born in India to Tibetan refugees; they both met in Santa Fe, and have been together since college, 2001.

After experiencing her immigration process, Mrs. Digkhang became very passionate about helping people like her and her husband and decided to join the firm. She has been part of our team since 2012 and enjoys working with the immigrant community.
